

After the Music Fades

Words and Music by Shaun Groves

Lord, take me
From this place
Into a world that has no time
No hurries, no worries
Gladly I leave them all behind
Down here, I'm letting go and drawing near

Chorus:

I wanna sing
I wanna fly
I wanna see from your side of the sky
I wanna love
I wanna stay
Wanna be close to You
Long after the music fades

Lord, I come
To give You
Much more than just a melody
Please take me, and break me
Right now God I don't want to leave
Unchanged, never wanna be the same

(Chorus)

'Cause Lord You are
Mighty, Awesome, Righteous
Gracious, Knowing
In me overflowing
Father, Teacher, Master, Leader
Jealous, Loving, You are

(Chorus)

You are life
You are love
You are everything that I'm needing
I wanna be
I wanna be
I wanna be
Closer
